UNIT D-2 WHICH IS THE DRUG UNIT (RDAP) HOUSING UNIT.

THREE INMATES OUT OF THAT UNIT WORK AT
THE UNICOR FACTORY WITH MYSELF & A LARGE AMOUNT OF

TO LET THESE INMATES WORK AMONGST US THEN DECIDED
TODAY TO LOCK UP THE INSTITUTION.

I FEEL MY LIFE IS AT HIGH RISK AT THIS
INSTITUTION AND IN PRISON. THE CASES ARE SPIKING UP AT
HIGH SPEED AND THE INSTITUTION GIVES US A MASK EVERY
2 MONTHS.

CAN YOU PLEASE CONSIDER MY COMPASSIONATE

Institution Operations

Over the last several weeks, FCI Cumberland, and the local area has seen a large increase in the Covid-19 virus. Within the last day, FCI Cumberland, has had several inmates test positive for Covid-19. With inmate safety in mind and in an effort to stop the spread of this virus around the institution, we have decided to secure the facility until further notice.

- All inmates will be offered showers 3 times per week.
- All inmates will be fed in their cells 3 times per day.
- There will be no phone or computer use until a plan is prepared and it is determined that it can be done safely.
- Inmate work details will not be authorized until further notice
- As always, staff will be conducting rounds regularly, including Unit Team and the Executive Staff

It is extremely important that if you are feeling sick you report it to any staff member so that medical can evaluate you. DO NOT hide your symptoms, it will only increase the spread of this virus. Symptoms are:

- New or Onset cough
- New or Onset trouble speaking/difficulty breathing
- Fatigue
- Muscle or body aches
- Sore throat
- New or loss of taste and smell
- Stuffy or runny nose
- Nausea or vomiting
- Diarrhea

We also ask that you continue to increase your sanitation and hygiene efforts. You are encouraged to avoid touching your face, wash your hands frequently with soap and water, in accordance with CDC guidelines.

We appreciate your cooperation and flexibility as we do everything we can to assure the safety and security of our staff, inmates, and the general public.

We will be reassessing our current operational status weekly and will adjust accordingly.

We appreciate your assistance and cooperation in this important matter.
